

## DuPage Montessori School's 25th Anniversary Celebration and Auction

Dear Parents,

This year **DuPage Montessori School of Naperville and Wheaton** is very proud to celebrate their **25th year Anniversary**. For a private school to stay strong in an ever changing economy and continue to provide a quality foundation of education with passionate dedicated teachers is a great accomplishment. This year on Friday, **March 16th, 2012** we would like to invite all our wonderful families and Alumni back to the **Morton Arboretum in Lisle** to celebrate and thank Bob and Sharon Breen for 25 years of providing a loving environment for children that stimulates a passion for learning and helps to create the strong independent child. We are excited to have our event at such a beautiful location and hope all of our families will be able to attend. This year we are excited to provide **on site childcare** for the night of the event. We are hoping this makes it easier for all our families to attend this special night. There will be food and beverages at the event and you will also be able to enjoy the grounds of the Arboretum with your family before the event at no extra charge.

In addition to our anniversary celebration we are also including our annual Spring Auction to the nights events. This is an annual school fundraiser that is important for the school to continue the high quality of our school's programs. Fundraising helps keep tuition lower and is essential to retain a high quality of staff members. These funds raised go towards new classroom materials, updating our playgrounds, staff education etc. Our auction last year was successful due to our school community working together to acquire generous donations from local business, restaurants and museums. We are asking all families to help again this year by obtaining an item or service to add to our auction night. Businesses can donate a product or service, a gift card from a salon or restaurant, a timeshare or vacation home for a weekend, tickets or passes to an event you may not be able to attend, iTunes, retail stores, green fees or jewelry gifts. We have also posted on our website the donation form to give to the businesses.
