Toddler Summer Classes Ages 15 months - 3 years

The Toddler Program at DuPage Montessori School is a 12-month pricing program, with a minimum pricing of three days. At the ages of 15 months to 3 years, children have a strong need for a loving and ordered environment that provides both individual and group activities. During the traditional school year, as well as during the summer months, children have opportunities to work independently with stimulating materials and to experience success every day. They have opportunities to enjoy social interactions that allow them to look beyond themselves and start to develop friendships.

Summer Registration is $30.00 per toddler. The Toddler Fees are the same as the school year, but on a weekly basis. Please indicate what weeks you will be attending. We will be ending at 6:00 pm.

Students who come for the morning session only will need to be picked up by 11:30 am.
